

2016 Racing Schedule

Classes: 5 in total

[Stadium Truck + 10th 2WD Buggy + 10th 4WD Buggy]

Short Course 2WD, Short Course 4WD, 1/8th Buggy, 1/8th Truggy.

We are working to see if the software will allow this: Stadium Truck will race against one another for points. 10th scale 2WD Buggy will race against one another for points. 10th scale 4WD Buggy will race against one another for points. These classes will all be on the track together. Although each class is only racing against vehicles in the same class, the standings will be for all 3 classes. The first night of racing we will have 3 drivers tied for first place (the driver who finished first from each of the groups) – We will post as soon as we know.

Championship Series and Trophy Race Dates:

May 7 Trophy Race - May 21 - June 4 - June 18 - July 2 - July 16

July 30 - August 13 - August 20 Trophy Race - September 3

September 17 NOTE: August 13th and 20th are back to back.
